

SWING INTO ADVENTURE

Golfers of all ages will scream with delight as they wind their way through 3 exquisite mini golf courses totaling 54 beautifully landscaped holes of fun, skill and adventure. Navigate your way through Buccaneer Bay, Adventure Cove and the Lost Continent and experience eye-popping water and fire effects, a talking tree, erupting volcano, pirate ship battle, and a plane crash amidst the jungle and much more

CLIMB TO NEW HEIGHTS

Our newest attraction, Adventure Ropes Course & Maze is 3 levels of fun! The ropes course is perched high above a labyrinth maze with twists and turns. Strategize your way across 25 elements of varying degrees of difficulty. Wearing a safety harness you'll walk the tight rope, brave the barrels, ride the skateboard and challenge yourself to new heights.

TAKE ON THE TRACK

Start your engines and rev up the excitement! Get behind the wheel of real NASCAR-themed electric go-karts and fasten your fun belt. These electric speedsters are good to the environment, but pack incredible punch and acceleration. Single and double seat karts assure everyone enjoys full-throttle thrills.

MIND-SPINNING ACTION

Buckle up for a spin. Jump into our bumper cars and have a whirl around the arena but bump into another and you'll send them into an uncontrollable spin. Joystick steering adds to the rush.
